I hope you like the new sounds. Keep on doing your great work! Kontakt version updated and fixed. (setup included) Thanks for the help! What I have is a Silvertone drum, and I bought a new electric Allen S.T. 500TD, but my sound is too loud (electric), so I would like to connect the two together, so it would be like it plays on the Silvertone drum and the Allen S.T. 500TD plays through my amp. For some reason my tone is too loud, if I turn my amp down a little it sounds too quiet, so is there a way to get it to get a better sound??? I've tried to look, but I can't find any info on that, if this sounds cool, or not. Thanks for your questions, and for your attention. I'm in the process of making a sample pack, that contains 2 great accordions. As I'm working, I'm enhancing my sound, with the help of
